

WHAT THE RATES MEAN

DATES FROM	DATES TO	RETREAT TITLE	TEACHERS	CODE	STD RATE	SUPP RATE	SPON RATE	YP	RSF
STANDARD: This is what it costs for us to run Gaia House and is the rate we ask everyone to pay if they can.									
(SUPPORTED): This rate represents a 15% reduction from the standard cost and is available to anyone who cannot afford the standard rate. You simply request this when booking - it's available online or via the telephone.									
SPONSOR: This rate is an invitation to pay a high rate and therefore "sponsor" someone else to come on retreat. The extra money you pay above the standard cost goes directly into the Retreatant Support Fund (RSF). This fund enables those who would not otherwise be able to come to Gaia House, to come on a much subsidised rate.									
YOUNG PERSONS: This rate is specifically for those aged between 16 – 25 years old and offers retreats at 25% of the standard rate, there are limited places for each retreat so contact reception first. This rate is not available online, please contact reception to book.									
RSF: This rate is available to anyone via a short application process – it enables retreatants to access rates of 50% of the standard cost of the retreat. Everyone has the opportunity to use this rate for up to 30 days of either Group or Personal Retreats in any one calendar year. This rate cannot be booked online, you must contact our reception team for more information. If this rate is too high for you please get in touch and tell us what you can afford, since we know how important it is for you to come on retreat - see page 27 for more information.									

WAITING LISTS: From 1 Jan 2012 there will be a nominal non refundable charge of £5 to go on to the waiting list of any retreat. If offered a space the £5 will be deducted from the cost of your retreat.

CAMPING PLACES: there are a small number of camping places available during the summer months, these cannot be booked online so please contact our reception to check availability and costs.
